RECEIVED
MAY 2019

Dear **Dr. Bongalos**,

The Provincial Health Office (PHO)-Technical Division is grateful of your unwavering support to our Adolescent Health and Youth Development Program (AHYDP), by sending your school nurses and allowing some of your high school students to attend our various AHYDP trainings conducted last year.

Providing critical health information to adolescents (aging 10-19 years old) especially on Adolescent Sexual Reproductive Health (ASRH) is our way of addressing the issue on the high incidence of teenage pregnancy in the province. By these information desirable behavioral changes and development of critical life skills among adolescents towards the improvement of their health and well-being can be achieved. And, these are all in line with the Republic Act 10354, known as the Responsible Parenthood and Reproductive Health (RPRH) Act of 2012.

But, ASRH information dissemination cannot be done by our office alone. We need continuous assistance and collaboration from other institutions like yours, the Department of Education (DepEd), considering the fact that majority of the adolescents are in-school and knowing that topics on reproductive health are handled by the MAPEH Teachers.

However, these MAPEH Teachers need to be capacitated with ASRH knowledge on: puberty, reproductive system, menstruation, gender & health, reproduction & responsibility, sexually transmitted infections, HIV & AIDS and nutrition. Thus, the **PHO is inviting a total of 70 Grade 8 MAPEH Teachers to attend the 2-day Training on Adolescent Reproductive Health and Healthy Young Ones for MAPEH Teachers. Please feel free to identify your participants that will attend per batch. The training will be held at Bethel Guesthouse, Dumaguete City, on the following dates:**

	<u>Date</u>	<u>No. of pax</u>
Batch 1	July 2-3, 2019	22
Batch 2	July 4-5, 2019	22
Batch 3	July 10-11, 2019	26
	TOTAL	70

Meals and accommodation will be provided, **while traveling expenses, allowable per diems and other incidental expenses of the participants shall be shouldered by the sending agency.**

For further inquiries and confirmation, you may contact Ms. Portia A. Francisco, AHD Program Coordinator at 09754458112 or PHO landline Nos. (035)225-2615 & (035)422-3961.

We are hoping for your positive response to this request.

Thank you and it's always a pleasure working with you and your office as partners in educating the adolescents on ASRH under the Adolescent Health and Youth Development Program (AHDP).

Very truly yours,

LILAND ZOILA B. ESTACION, R.N., M.D.
Assistant Provincial Health Officer
