NOSIRFA President
Dumaguete City, Negros Oriental

Dear Mr. Gallardo,

Gawad Kalinga (GK) with its mission of ending poverty for 5 million Filipino families by 2024, we write to introduce to you and hopefully gain your support for our sports program "SipaG". This program seeks to use sports as intervention for youth leadership and educational opportunity. It has been running since 2005 wherein SipaG, through football and futsal, builds awareness of the game and develop the leadership and footballing skills of the kids in different GK communities. We also train the coaches, public school teachers and volunteers of the program through the Coaches Across Continents (CAC), a US-based NGO that uses sports for social impact. CAC sends their community-impact coaches in the Philippines once a year to work with GK in providing free coaching training. For the last two years we able to conduct trainings in partnership with LGUs and other organizations in Cagayan de Oro City, Sagay City, Palo in Leyte, Legazpi City and Mandaluyong City. This year we will introduce the first edition of Social Impact Training (2019) in Davao City, Roxas City and hopefully in Dumaguete City (in September 2-6). It is with great honor that we invite you as our event sponsor in this five-day seminar that aims to train and empower our football coaching participants in an interactive way that is fun, educational, and values-oriented. Dumaguete has growing footballing communities whose coaches and physical education teachers can benefit in the program should they participate in this social impact coaching training.

Specifically, we hope that NOSIRFA could be our partner that can provide the much needed support for the event or help us connect to other groups:

1. Event venue (preferably a covered court)
2. Sports equipment (markers, cones and 24 footballs that we can use)
3. Invite 30-50 local coaches to join the seminar

Should you have questions, please feel free to contact the undersigned at mgimportante@gawadkalinga.com at 09175771298 or Coach Percy Guarin, our hardworking SipaG volunteer coach at 09163784017. Thank you and we are looking forward to partner with you for this historic event.
