GOLDEN TIGER FILMS is a film production industry that offers movie viewing to different schools, colleges and universities in the country. The Department of Education (DEPED) curriculum in K-12 senior high school arts and design track specialized subject and special program in the arts (SPA) and the Commission of Higher Education (CHED) on the integration in the general education curriculum in all programs.

Golden Tiger Films believes in the initiatives of several government agencies to fight drug problems and terrorism among the youth through sports and other productive activities. Furthermore, the Philippine National Police also introduced its new program **KABATAAN KONTRA DROGA AT TERORISMO (KKDAT)** recently, with the same aim of saving the youth to dwell in these deadly activities by providing nationwide seminars and workshops in different schools.

Golden Tiger Films wants to take part in this advocacy with a different approach. We strongly believe that multimedia art is an effective device to mold the delicate young minds through visual means. This way we can reach the youth and help them harness their creativity and eventually divert their attention away from **DRUGS AND TERRORISM** that proves to be a menace in today's young generation.

With the strict mentoring of highly knowledgeable mentors from the film industry, participating students will most likely learn the fundamentals of film making through our proficient and interactive course outline. And in such program, the students are also entitled to A FILM VIEWING session of the film produced by our production. The film will be used as the subject matter during the film making workshop.
