Dear Dr. Bongalos,

Since year 2017 up to the present, our office, the Provincial Health Office is conducting trainings on reproductive health to High School Students, in coordination with the DepEd, Negros Oriental Division. This training becomes our yearly health activity for the adolescents who are aging 10-19 years old. In fact, we are very much grateful for the continuing partnership with your agency in the conduct of health education to the in-school adolescents.

The objective of the above trainings is to make the students aware of the consequences of pre-marital sex and reduce the incidence of: a) early sexual activities, b) teenage pregnancies, and c) risk taking behaviors: such as violence, substance abuse, poor school performance and sexual activity.

This training uses a Healthy Young Dnes IEC materials with the following topics: puberty, reproductive system, menstruation, gender and health, reproduction and responsibility, sexually transmitted infections, and HIV and AIDS.

Thus, this year, the Provincial Health Office once again will conduct **Trainings on Adolescent Reproductive Health**. We are requesting your office that we be allowed to conduct these trainings preferably to Grade 8 students who will be divided into two equal groups: Group 1 at 8:30am-10:30am and group 2 at 1:00pm-3:00pm on the following: dates, school/venue and number of students:

Furthermore, we would like to request the assistance of the DepEd Nurse/s preferably those assigned in the area to be the lecturers during the conduct of these trainings.

However, due to budgetary constraints **only snacks will be provided to the participants**. For inquiries and confirmation, you may contact Ms. Portia A. Francisco at 09754458112 or (035) 225-2615 and (035) 422-3961.

We hope to receive a positive response from you.

Thank you and it's always an honor to have you and your office as our partner in educating the adolescents on ARH under the Program on Adolescent Health and Youth Development.

Very truly yours,

**LILAND ZOILA B. ESTACION, RN, M.D.**
