ATTN: ANTONIO B. BAGUIO, ED.D.
RRDCSC Coordinator
Negros Oriental Division

Dear Supt. Bongalos,

Greetings!

The Provincial Agriculture Office (PAO) as the implementing arm of the province has implemented the RRDCSC/GPAK Program in collaboration with the Department of Education (DepEd) in Negros Oriental. Since its implementation in SY 2002 to the present, the program objectives remained focused on the development of the physical, moral and intellectual well-beings of the school children. Evidently, promising results had been consistently attained.

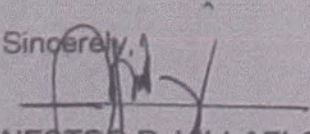

With the intent to sustain this endeavor, annual trainings are conducted to school implementers. This initiative is conducted to equip and or better capacitate teachers for the program implementation in schools and in the replicating communities.

Parallel to this, we would like to invite the program implementers in your division to join the *Training for RRDCSC Implementers on the Protocols of Tilapia Culture* for the palaisdaan project implementers and the *Training for RRDCSC Implementers on Organic Vegetable Production* for the gulayan project implementers. These trainings will be conducted on **Sept. 26-27, 2019 in Canlaon City** and **October 7, 28 and 29, 2019 in Amlan, Jimalalud and Siaton respectively**. Specifically, we are inviting the *school head and school RRDCSC Coordinator* from every invited school to attend to this training. Likewise, we would like to inform that the *transportation expenses of the participants that will be incurred to and from the venue will be the trainees' counterpart*.

Attached is the list of invitees and other details for the conduct of the training for your reference.

Hoping for a favorable response to this invitation.

Sincerely,

NESTOR R. VILLAFLORES
Provincial Agriculturist
