DATE GATHERING FOR LANGUAGE POLICY REVISION

1. The Department of Education, Bureau of Curriculum development, will conduct series of workshops aimed at modifying and enhancing the **Bilingual Education Policy** and the **Policy on Mother-Tongue Based Multi-Lingual education (MTB-MLE)**, and their respective implementing guidelines. The revision of these language policies will address the continuing problem of illiteracy in the country, and further enhance not only the communicative competence of learners, but also help develop their competence in other learning areas like Math and Science.

Below are the selected teachers from different schools who will participate in the data gathering by accomplishing the attached questionnaires. (Attached herewith are the list of teachers who will participate in the data gathering).
3. The survey will be conducted online from April 10- 12, 2019.
