Dear Dr. Bongalas:

Greetings from CNPAHS!

The College of Nursing, Pharmacy and Allied Health Sciences (CNPAHS) of Negros Oriental State University (NORSU) as one of its function is mandated to engage in extension activities. In response, we would like to conduct an OUTREACH Program among student beneficiaries in the hinterlands of Negros Oriental with the theme: "Gugma ug Tabang: Pag-asa para sa Kabataan". The identified school recipients would be the Pula Elementary School and Pula High School of DepEd, Canlaon District I. This would be held on July 19, 2019 at 8:00 AM.

In line with this, we would like to ask permission from your good office to allow us to conduct this activity in coordination with the Department of Education, Canlaon District I, Division of Negros Oriental and the Local Government of Canlaon City. This activity would like to provide: (1) dental health kits, (2) school supplies, (3) donated uniforms, clothes and footwear, and (4) books.

The Rationale of this Extension and Outreach Program are the following:

1. To develop a sustained program of social involvement that would affirm NORSU-CNPAHS's commitment for social justice and a preferential option to serve the poor and the marginalized.
2. To strengthen and concretize commitment toward social change that brings the institution to a working knowledge of different sectors of the less fortunate and a sharing of the life and culture of these recipients.
3. To provide responsive extension and outreach activities and opportunities for deserving communities to enhance the health and quality of life and thereby contribute to national development.
4. To maintain collaborative and cooperative partnerships with the community through health care programs and extension activities and develop would be leaders to sustain the program.

I hope for your positive action on this request. Moreover, we would like to request for your assistance and a focal person assigned to coordinate with us in the preparation and conduct of this activity.

Thank you very much and more power.

Truly yours,

NOVALISA A. LEON, Ph.D.
