School Division Superintendent
DepEd Negros Oriental
Capitol Areas, Dumaguete City

Dear Ms. Bongalos:

Greetings from Metro Dumaguete College!

For the second time, Metro Dumaguete College is chosen by the Norwegian Shipping Association (NSA) based in Manila as the testing center for its scholarship program for SY 2020-2021.

Through our Corporate Social Responsibility, we will again assist NSA gather K-12 graduating students who are interested to study Maritime course. After we assembled 200 aspirants, NSA shall conduct **qualifying examination for its scholarship program effective 2020-2021 on November 16, 2019 at Metro Dumaguete College.**

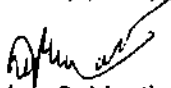

This is a great opportunity for your students to be granted such a scholarship. This does not limit to the top ten of your class but to all graduating K-12 students. Everybody is equally qualified for as long as he/she passes their examination. After the written examination, computer examination will follow and whoever will pass will be interviewed.

As the result of our initiative last year, we were able to send three (3) scholars for this school year. And we are looking forward for more scholars to come from Negros.

In this regard, may we respectfully request for your favorable endorsement of the above project to different heads of the schools under your division. Your endorsement will be of great help so that we can meet the students and brief them the opportunity about the said scholarship program and the career path that they will be entering.

Thank you for your favorable endorsement, please.

Respectfully yours,

Dr. Delma P. Manila, CESO V
President
