Attention: **ESTERLINA B. PARAGOSO**
Education Program Supervisor/MAPEH Coordinator

Dear Mr. Paulin:

Greetings!

The Philippine Health Insurance Corporation (PhilHealth) will be celebrating its 25th Anniversary on February 14, 2020. One of the highlights of next year's celebration is the conduct of the 1st PhilHealth National Quiz Bee, a competition for Grade 10 to 12 students nationwide.

PhilHealth Regional Office VII rolled out the PhilHealth Learner's Materials (PLM) in Region VII beginning last year. Music, Arts, Physical Education, and Health (MAPEH) teachers, coordinators, and education program supervisors can use the PLM in teaching Grade 10 students the basic principles, vision, and mission behind the National Health Insurance Program (NHIP), and the concept of social health insurance as a financing mechanism. The PhilHealth Learner's Material has been certified by the Bureau of Curriculum Development of DepEd to be compliant with the requirements of the K-12 Curriculum and is suitable for use in public schools. This aimed to develop knowledge and appreciation of the NHIP in students, and to encourage them to become young advocates of the program.

Building on this initiative, the Corporation will be holding its first ever PhilHealth National Quiz Bee to test and deepen the knowledge of students on PhilHealth and its products and services, and to encourage adoption of the learners' material by private secondary schools.

Relative thereto, we would like to inform you on the timelines. The Division Level contestants have to be determined within September and October 2019 so they can join the Regional Level on October to November this year. The Regional Level competition is set on November 19, 2019. Due to time constraints, we would like to propose the following schedule: November 8, 2019 (Friday) shall be the elimination round for the thirty-four (34) districts of the Division of Negros Oriental and for the Division Level, we shall have it on November 13, 2019 (Wednesday), 9:00 o'clock in the morning at the Division Office, Dumaguete City. PhilHealth will provide the questions for the Division Level competition.

We look forward to your partnership and support in this endeavor.

Very truly yours,
