SUBJECT : Qualified Applicants for DOST-SEI Scholarship

DATE : 11 NOVEMBER 2019

The Department of Science and Technology (DOST), through the Science Education Institute (SEI) has been providing graduate scholarship programs for DepEd personnel. Two of which are the Capacity Building Program in Science and Mathematics Education (CBPSME) and the Science and Technology Regional Alliance of Universities for Inclusive National Development (STRAND).

Both are national consortium scholarship programs for masters and doctorate degrees in science and mathematics education. CBPSME aims to improve the quality of education and accelerate the development of critical mass experts in Science and Mathematics, while STRAND aims to reach out and support the higher education institutions in the provinces which need to be strengthened in terms of developing human resource capabilities.

Last 12 July 2018, the Department of Education (DepEd) entered into a Memorandum of Understanding (MOU) with DOST to enable its teaching and non-teaching personnel who will avail of the CBPSME.

In accordance to this, DepEd reviews and validates the list of qualified scholars based on the Department Order 68 s. 2009 - *Scholarship and Training Grant/Fellowship Pool* which states that potential scholars must have been in the service for *at least 5 years*, with at least very satisfactory performance for the last two years. The difference between their date of application, as indicated in the form submitted, and first day of service as a permanent employee, is used in determining their number of years in DepEd.

In connection with this, only those potential scholars who have served at least 5 years in service with very satisfactory performance for the last two (2) years will be allowed to file their Official Time for the duration of their scholarship. In filing for Official Time for the above-mentioned programs, applicants must attach the following: (1) Permit to Study signed by the School Division Superintendent (SDS) and Regional Director. (2) Letter of Appointment or Service Record to verify the years of service in DepEd.
