Dear Superintendent Bongalos:

Declaring the month of **September** as the **National Peace Consciousness Month** that aims to promote a culture of peace, and raise awareness and understanding among the public on the comprehensive peace process. In light of the celebration we will conduct the "Paddle for Peace," a dragon boat clinic to all college and high school in the Negros Oriental and to those who are willing to participate the event.

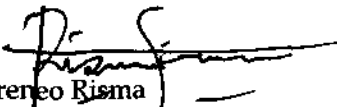

**This** primordial concern is to spread awareness on the issues that are endangering our marine lives today. It is one of our missions to share the knowledge and drive others to help save our marine waters and to inspire others to follow suit.

Furthermore, the Provincial Government envisions expanding the dragon boat teams in our province. Since Dragon Boat locally has grown tremendously throughout the country, and henceforth is the only event we became World Champions internationally since 2009 due to the fact that Filipinos are naturally born with genes inherited from our fore fathers who were hunters and fisher men that enabled us to defend the title presently last August 2019. With so much potential from our province, it is an enormous vision to make this dream put into reality that propelled us to conduct "**Dragonboat Clinic**" on September 14-15, 21-22 and 28-29, at Rizal Boulevard fronting Bethel Guest House in preparation for the upcoming "Buglasan Dragonboat Race Inter-School" this coming October 13-14, 2019.

With this vision, we can build a united community against insurgence through fellowship and camaraderie with a team-based sport while also reaching our advocacy for marine and environmental awareness to the youth.

Hoping for your positive response,

For clarification/verification please don't hesitate to contact us in our office on this number 225-7817 or 09759654913.

  
 Ireneo Risma  
 Tournament Manager
