Subject : Accommodation of Field Study Students from SPUD

DepEd Order No. 3, s. 2007 on the Guidelines in the Deployment of Pre-Service Teachers on Experiential Learning: Field Study & Practice Teaching, stipulates that the "Basic Education School (BES) shall provide the Teacher Education Institutions (TEIs) the authentic environment to implement the teacher education curriculum."

In line with this, please accommodate only the Field Study Students (FSS) assigned in your school. Kindly assign to any teacher on their observation period. These field study students may be assigned to another mentor when they already do their student teaching.

Further, please see to it that these student teachers must not be made to substitute for teachers who will be on leave.

Should you have some issues & concerns regarding the Field Study Students, kindly write the undersigned c/o Dr. Erlinda N. Calumpang, Chief of the Curriculum Implementation Division.

For your cooperation.
