Dear Ma'am:

Good day!

The Silliman University Debate Society (SUDS) is proud to present: **PREP II: Negros Oriental Debate Workshop**. PREP is a one-day debate workshop that offers students from schools all around Negros Oriental the basics to debating and public speaking. The workshop will include a series of talks from acclaimed debaters around the country and activities that will both test and improve the skills of students.

The event will be held on **July 13, 2019** at the **Mary Marquis Smith Hall, Silliman Hall, Silliman University, Dumaguete City**. Now on it's second year, the Silliman University Debate Society envisions a more inclusive workshop. For this reason, there will be **no registration fee** for the workshop to increase participation around the region.

In line with this, the Silliman University Debate Society humbly invites you're the different public schools across Negros Oriental to the workshop and offers **9 slots for students** and **1 slot for the adviser**.

We are hoping for your participation in the event. You may reach us and **confirm your slots on or before June 24, 2019** through the following contacts:
