Dear Dr. Bongalos;

As our school is heading towards its full operation our facilities had been improving to cater more students especially from the surrounding community. As a recipient of the government's funding through PEAC in the SHS and GASTPE in the JHS we would like to offer this privileges to our children from the nearby schools located in our district. To keep our students and parents informed, I respectfully seek your permission to allow us to promote the said programs in the nearby district of Dauin and Zamboanguita.

I hope that you will find favour in this intention.

Thank you very much.

Respectfully yours,

Jerome B. Jaal, MAEdAS
School Principal
