19 September 2019

TONISITO M.C. UMALI, Esq.
Undersecretary for Legislative Affairs,
External Partnerships and School Sports
Department of Education

Dear Undersecretary Umali:

Warm greetings!

In support of the Memorandum of Agreement (MOA) between the National Commission for Culture and the Arts (NCCA) and the Department of Education (DepED), which was signed on February 9, 2013, and in continuation of the NCCA-DepEd Cultural Education Program (NDCEP) in advancing the K-12 program of DepED, the NCCA will be conducting the advanced level of the SANAYGURO: National Teachers' Training on Arts and Culture for the Special Program in the Arts (SPA) and an Arts & Festival Management Workshop for Principals and SPA Coordinators on October 20 – 26, 2019 in Bacolod City.

For this October, the National Training Program will focus on advanced and more specialized Training for Teachers as recommended by the SPA Task Group. All participants are required to have at least 1 basic SANAYGURO experience to qualify. Pre-registration is required and the participants should present the confirmation letter issued by the Secretariat, together with a recommendation letter from their principal.

The program aims to provide the teacher-participants from the public schools with comprehensive training on the techniques related to their field of arts specialization. Each art discipline aims to equip the teacher-participants the capability to produce creative outputs, mount performances and curate exhibits, including ways of providing artistic guidance towards the expected outputs of their students.

The program has been implemented for the past 5 years. This year, we are advised to course through the invitation to your office as an external partner. In relation to this, we would like to request your humble office to encourage and inform your Regional Directors to send teacher-participants. Your memorandum letter for this project among your Regional Directors, Regional Culture and Arts Coordinators, Special Program in the Arts Coordinators, Schools Division Superintendents, Public and Private School Heads would be of big help in ensuring a wider participation of teachers.

Attached is the detail of the project. We are looking forward to your favorable response.

Thank you.
