SENEN P. PAULIN, CESO V

Dear Dr. *Paulin*

Warm greetings!

One of the major functions of the NCIP is to facilitate the formulation of the Ancestral Domain Sustainable Development and Protection Plans (ADSDPPs) of the indigenous cultural communities/indigenous peoples (ICCs/IPs).

The NCIP-Negros Oriental Provincial Office has been assisting two (2) indigenous cultural communities/indigenous peoples (ICCs/IPs) in Canlaon City, Province of Negros Oriental in the formulation of their ADSDPPs, namely: 1) the **Bukidnon** ICC of Brgys. Pula, Malaiba and Lumapao, Canlaon City, and 2) the **Bukidnon** ICC of Brgy. Masulog, Canlaon City, all in the Province of Negros Oriental.

We have just finished assisting these communities in the formulation of their development frameworks as people and the sustainable development and protection of their ancestral domains and interfacing the said frameworks with the development plans of other government and non-government offices/agencies.

In this occasion, these communities will present to invited representatives from other government and non-government agencies their ADSDPP Book with identified programs for possible inclusion in their existing policies/plans/programs/projects.

May we, therefore, invite you or any of your representative/s to participate in the said activity which we have scheduled on **December 12, 2019, starting from 9:00 in the morning, at the Canlaon City Pension House, Negros Oriental.**

We are looking forward to our collaboration in the development and protection of the ICCs/IPs.

Thank you.

Very truly yours,

VIRGINIA S. ESPANTE
