MS. WILFREDA D. BONGALOS, Ph. D., CESO V
Senior Division Superintendent
Department of Education

Dear Dr. Bongalos:

Greetings !

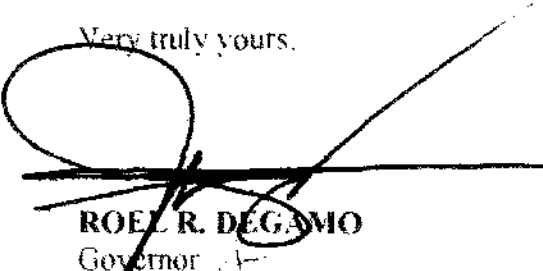

On the threat of the re-emergence of the African Swine Fever (ASF) in America, Europe, Asia and now found positive in some areas in Luzon, the risk of the introduction of potentially infectious disease pathogens in our province is a possible certainty affecting only hogs with up to 100% fatality rate. In this connection, the Provincial Veterinary Office in collaboration with the Department of Agriculture RFO 7 and the National Veterinary Quarantine Services Division will conduct a one-day *Information and Education Campaign on ASF cum Organizational Meeting* on *September 27, 2019* at the *Baybayon Resort, Cangmating, Sibulan, Negros Oriental*. Hence, we request your cooperation and active involvement to work jointly with others as a team to combat the entry of said dreaded disease in our province. **Registration starts at 7:30 a.m.**

Anticipating your favorable consideration and support on this endeavor.

Your attendance is a must

Thank you and more power.

Very truly yours,

ROEL R. DEGAMO
Governor
