Dear Dr. Bongalos,

The Municipality of Bindoy, in collaboration with the Department of Science and Technology-Negros Oriental Provincial S&T Center, will conduct the following activity:

Title: **Participatory Project Development Planning Workshop**
Date & Time: **March 12-13, 2019; 8:30 AM-4:30 PM**
Venue: **Domolog Public Market Conference Room, Bindoy, Negros Oriental**

In this regard, we would like to invite you or your representative to join the activity. Your organization's support and cooperation are very much needed, as we would like to harmonize the identification and implementation of community-based projects by the different stakeholders (grassroots communities, LGUs, national government agencies, NGOs, and the private sector) for the period CY 2019-2021 in the following priority areas:

- Livelihood/Economic Enterprise Development
- Water and Sanitation
- Health and Nutrition
- Basic Education and Literacy
- Disaster Risk Reduction

The workshop outputs would serve as our common guide in the provision of appropriate technical, financial and other assistance to underdeveloped communities in Bindoy, especially barangays Danao, Nalundan, Atotes, Cabcaban, Bulod, Poblacion and Cabugan.

We therefore hope your office can spare the time and personnel to support this convergence initiative. We look forward to meeting you or your representative at the workshop. For clarification or confirmation, please contact Engr. Reinhold Jek Abing of DOST at 421-2100 or 09175031949.

Thank you very much.

Very sincerely yours,

VALENTE P. YAP
Municipal Mayor
