20 May 2019

Wilfreda D. Bongalos, Ph.D., CESO V
 Schools Division Superintendent
 Department of Education
 Division of Negros Oriental

Dear Ma'am,

The Department of Health (DOH), through the Integrated Helminth Control Program (IHCP), continues its efforts geared towards its goals to reduce the cumulative prevalence of soil-transmitted helminthiasis to <20% and to reduce the prevalence of moderate to heavy infections to <1% by 2020. The biannual deworming activity remains to be one of the main strategies of the IHCP.

Hence, the DOH - Central Visayas Center for Health Development through Integrated Helminth Control Program (IHCP) will conduct a **Pre-Implementation Orientation on School-based and Community-based Mass Drug Administration** for Negros Oriental Province.

In this regard, we would like to invite the following Schools Divisions Health and Nutrition Personnel to present their issues and concern together with their program accomplishment of the January 2019 Mass Drug Administration (MDA) on respective schedule and venue.

Date: 24 May 2019, Friday, 10:00 AM
Venue: Southview Hotel, Banilad, Dumaguete City, Negros Oriental

1. Schools Division of Negros Oriental Province - 36 pax

Food and venue will be assumed by the DOH-CV CHD Integrated Helminthiasis Control Program Funds. Traveling expenses and per diems will be shouldered by the sending agency, subject to the usual accounting and auditing rules and regulations. Please confirm attendance with Ms. Joan E. Curaza, IHCP Nurse Coordinator, through **0916-233-5270/ 254-4387**.

We look forward your department for the continued support in our request for healthy school children through our integrated approach.

Very truly yours,

J. Bernadas
Jaime S. Bernadas, MD, MGM, CESO III
 Director IV

UHSD/CDS Curaza
